A MESSAGE FROM THE PRESIDENT

The SCA WA sponsorship prospectus 2020/21 is presented to you against the backdrop of two momentous events.

The first is the May 1st proclamation of the Strata Titles Amendment Act 2018 and associated regulations. The Act represents the culmination of years of work to bring forth much needed, progressive change to the legal and regulatory architecture governing Strata in WA. Sustainable urban development in WA requires the continued growth of Strata titled developments, and the new Act represents a vital step in facilitating that development. SCA WA has, and will continue to work with members, and external stakeholders, to assist them adapt to the 'new world' ushered in by the Act.

The second is the Coronavirus pandemic and its far-reaching consequences, known and unfolding, for the entire Global community. SCA WA and its members have been energised by 'Strata reform' but, like everyone else, we must continue to operate within the guidelines set out by State and Federal Government to keep the community safe from harm. Educational and social events and workshops are a mainstay of our work and an important mechanism to facilitate interaction between our valued sponsors and members. At time of writing, Government restrictions prevent us from having 'face to face' educational and social events. As such, our events calendar for the year to June 2021 has been set out to cater for remote and online learning. This prospectus details how SCA WA will continue to offer meaningful benefits to sponsor those events and, naturally, we will look to move back to 'face to face' events when the time is right.

SCA WA is also improving its external communications functions in a way that, I believe, enhances our previous offering to sponsors. A new website, developed in concert with our national colleagues, enables us to offer content relevant to the Strata businesses, strata companies and individual lot owners online with far greater reach than before. This new operating model is reflected in the sponsorship benefits listed. Finally, unlike previous years, and arising from the uncertainty created by the Coronavirus pandemic, this prospectus does not include information and sponsorship opportunities for the Convention and Awards Gala. Normally held in November, the SCA WA board has decided to postpone this year's convention in expectation that it will be a position to set a date for the 2021 convention later this year. SCA WA will host an online awards ceremony later in 2020 with associated event support and partnering opportunities for sponsors detailed in this prospectus.

If you have any questions or comments about the sponsorship prospectus or sponsorship of SCA WA in general, please do not hesitate to get in touch.

Thanks,

Scott Bellerby

PARTNERING WITH SCA WA

When you sponsor SCA WA, the partnership will help you to:

SCA WA Events in the Coronavirus Era

State and Federal Government guidelines set down in response to the Coronavirus pandemic prohibit SCA WA from hosting, for the time being, 'Face to face' educational and social events for members.

SCA WA has responded, and will continue to respond, by using remote and online meeting technology such as Zoom to create live and recorded webinars. Participation and feedback from events already run in this way to provide training on Strata reform show clearly that our members are adapting well to this format; and in some cases, prefer it.

Silver, Gold and Platinum sponsors will be offered the same opportunities to support and partner with us on our events adapted to the online format. For example, instead of a banner being placed behind a speaker podium at face to face event, it will be placed behind the speaker(s) at an online webinar.

Equally, instead of placing promotional material on tables, sponsors will be invited to provide a thirty second ad or similar promoting their brand that SCA WA will play at the beginning of live events or place at the beginning of pre-recorded webinars. There is no substitute for the opportunity to sponsors to network presented by being at a face to face SCA WA event. However, we believe that online training and events constitute a valuable support and partnering benefit for sponsors.

APPLYING FOR SPONSORSHIP

If you are an existing sponsor:

Existing sponsors can apply to renew their sponsorship for the 2020/21 financial year right away. SCA WA will only assess applications from new sponsors following confirmation or otherwise from existing sponsors regarding their intent to renew. Renewing your sponsorship is subject to any outstanding debts being paid.

Existing sponsors must return their complete application from to communications.wa@strata.community no later than June 8th, 2020.

If you are not already a sponsor:

With every sponsorship package except for Bronze, SCA WA limits the numbers of sponsors it works with and considers this a key sponsor benefit. Existing sponsors are given the option to renew before new sponsors are considered.

Step 1: Complete the application for and return to communications.wa@strata.community

Step 2: We will consider the applications and let applicants know within 14 days of receipt whether their application has been accepted. Accepted applicants, subject to availability of places, will receive a formal contract which must be completed and returned within 14 days.

Payment Terms:

Sponsors will be issued an invoice for a 50% deposit within 14 days of their application being accepted which we request is paid within seven days. The balance must be paid upon completion of the contract.
