This declaration acknowledges my obligations to maintain appropriate confidentiality about information acquired by me in my duties on the judging panel of the SCA (VIC) Pillar Awards for Excellence 2021.

I Declare that:

1. I will not without the written consent of the applicant make public or disclose any confidential information contained in their application.
2. I warrant that, to the best of my knowledge and belief, after due enquiry as at the date of this declaration, that I have no duties or interests that create or might reasonably be anticipated to create, conflict with my duties and interests in performing my duties for the project, except those disclosed in writing to before I signed this declaration.
3. If an existing duty or interest develops in a way that could not reasonably have been anticipated, so that duty or interest creates, or might reasonably be anticipated to create, conflict with my duties and interests in performing my duties for the SCA (VIC) Pillar Awards for Excellence 2021, then I will consult with SCA Head Office to endeavour to devise arrangements so that I can meet that potentially conflicting duty or interest in a way which does not involve the use of knowledge or information gained through my duties for this project, to prejudice the interests of the applicant for the awards.
